

2021 Virtual Washington Youth Tour
Application
Ouachita Electric Cooperative Corporation
Sponsor

Due to COVID-19 restrictions, the annual Washington Youth Tour will be held through a series of Zoom online meetings. On June 18 and June 21-25, 2021, Ouachita Electric Cooperative, along with the state's 16 other electric cooperatives, will host zoom online meetings and focus on the importance of public service. Students will have the opportunity to learn about the cooperative business model, interact with state and federal elected officials, hear from special guest speakers, and have the opportunity to win prizes and one of three \$5,000 college scholarships! OECC will be giving away (2) laptop computers to essay winners. To apply as a delegate from Ouachita Electric Cooperative, please fill out the application and essay. Applicants must be high school juniors during the 2020-2021 school year and must be members of Ouachita Electric Cooperative. Essays will be evaluated, and the winners will be selected by impartial, qualified judges. Return this application to Angie McLendon, Youth Tour Coordinator, Ouachita Electric Cooperative Corporation, P.O. Box 877, Camden, AR 71711-0877 by April 1, 2021. Phone: 870-837-3615. amclendon@oecc.com
